Swiss Permit B

Hiring Manager
Société Générale, Zurich Branch
Talacker 50
8001 Zurich

September 18, 2026

Dear Hiring Manager,

I am writing to apply for the position of Intern KYC Analyst within the Zurich KYC Hub, reference 26000K6Y.

Having spent nearly nine years in banking, most recently as Chief Manager at IndusInd Bank, I am now seeking to establish my career within the Swiss financial sector. This position is of particular interest to me as it combines client onboarding and periodic review, in which I am experienced, with exposure to the Swiss and German regulatory environment, which I would value the opportunity to develop further. I am resident in Zurich and hold a Swiss B permit, which entitles me to work in Switzerland without any requirement for employer sponsorship.

Throughout my career, I have been responsible for client onboarding and periodic review for High Net Worth, affluent and corporate clients. This work has included conducting due diligence on clients and associated parties, verifying Ultimate Beneficial Ownership for legal entities including limited liability partnerships and private trusts, reviewing director and corporate registration records, and carrying out PEP, sanctions and adverse media screening. I have applied a risk-based approach in assessing files and documenting a formalised opinion, identified documentation deficiencies, and escalated matters requiring further compliance assessment. Maintaining accurate client profiles within core banking and CRM systems formed part of my daily responsibilities. In my most recent role, structured file reviews and process improvements reduced documentation errors by 25 per cent.

I am equally accustomed to acting as a point of contact between business lines, Compliance and management. In previous positions, I advised branch colleagues on onboarding standards and documentation quality, and worked closely with Operations, Compliance and Internal Audit to resolve cases requiring input from several teams.

My academic background is in Linguistics and English Literature, which I have since complemented with regulatory training directed specifically at this market: SAQ-recognised AMLA/AMLO-FINMA 2025 training on the prevention of money laundering, and the Basel Institute on Governance course on combating terrorism financing. I am fluent in business English, hold German at B1 level and am continuing to develop it, and additionally speak Hindi and Bengali.

I would welcome the opportunity to discuss my application with you and thank you for your consideration.

Yours sincerely,

Moumita Dey
