Professional Profile

Banking and Wealth Management professional with 9+ years of experience across High Net Worth and affluent client management, customer onboarding, KYC, customer due diligence, AML-related processes, fraud and card operations, digital banking and general banking services.

Experienced in reviewing customer information and supporting documentation, resolving KYC gaps, supporting Source of Funds and Source of Wealth requirements, PEP and sanctions screening, UBO verification, FATCA/CRS requirements and AML escalations. Strong client-facing background with practical experience coordinating with customers, Operations, Compliance and other internal stakeholders to resolve documentation, transaction and service-related matters.

Professional Experience

- Dec 2023 – Mar 2025 **Chief Manager, IndusInd Bank Ltd., India**
- Managed affluent and High Net Worth client relationships end to end, across account servicing, banking products and transaction requests.
 - Ran KYC verification, remediation and periodic refresh: reviewed customer documentation, identified gaps and closed them with customers and internal teams.
 - Gathered Source of Funds and Source of Wealth documentation and supported PEP and sanctions screening, UBO verification and FATCA/CRS requirements at onboarding and throughout the relationship.
 - Escalated customer and transaction concerns for further AML and compliance assessment.
 - Handled unauthorised and suspicious card transactions – blocking, replacement, disputes and chargebacks – with fraud and operations teams.
 - Resolved Internet and Mobile Banking issues spanning authentication, OTP/token, beneficiary and password requests.
 - Maintained customer records and service tracking in CRM, Finacle and Excel.
 - Trained colleagues on banking processes, products and customer servicing.
- Oct 2022 – Feb 2023 **Manager, HDFC Bank Ltd., India**
- Managed customer relationships and handled account opening, maintenance and servicing to required documentation standards.
 - Reviewed customer documentation for KYC and customer due diligence at onboarding and during servicing, resolving gaps and completing periodic information updates.
 - Advised customers across deposits, fixed deposits, loans, insurance and investment products while maintaining accurate records.
 - Resolved card, transaction and digital banking issues, including potentially fraudulent activity, with the relevant internal teams.

Jul 2016 – Sep 2022 **Deputy Manager / Assistant Manager, Axis Bank Ltd., India, (Promoted)**

- Progressed from Assistant Manager to Deputy Manager, taking on wider responsibility across relationship management, banking operations, compliance processes and customer servicing.
- Managed affluent and High Net Worth relationships across accounts, deposits, lending, investments, insurance, foreign exchange, remittances, cheques and demand drafts.
- Handled onboarding, account opening, closure and maintenance, ensuring documentation was complete and aligned with banking procedures.
- Ran KYC verification, remediation and periodic refresh: reviewed documentation, identified discrepancies and closed gaps with customers and internal teams.
- Gathered Source of Funds and Source of Wealth documentation and supported PEP and sanctions screening, UBO verification and FATCA/CRS requirements.
- Escalated AML concerns and unusual or suspicious activity in line with established procedures.
- Handled card fraud and unauthorised transactions across Visa, Mastercard and RuPay – blocking, replacement, disputes and chargebacks – and supported card issuance, re-issuance, tokenisation and 3D Secure.
- Resolved Internet and Mobile Banking requests: activation, authentication, OTP/token issues, password resets and beneficiary additions.
- Maintained customer information in CRM and Finacle, using Excel for record management and day-to-day analysis.
- Trained and mentored colleagues on banking processes, products, customer servicing and operational procedures.
